

Now on Sale: *NEW* Tour de Nebraska Jerseys

Tour de Nebraska is delighted to offer a new custom jersey for our 2009 ride! They are specially designed by our own TDN veteran cyclist, Bob Shriner of Lincoln, a professional graphic artist. Bob magically transformed an actual photo of Elsie, our TDN mascot into this beautiful, unique jersey design.

These Champion System jerseys are made from microfiber CS-Tech polyester wicking fabric and have a 3/4 zipper. They are comfortable in cool, warm, and hot/humid conditions. These short-sleeved jerseys are anatomically shaped and tailored.

Sizes

We offer two different fits: club cut and women's cut. For more details on sizes and fits, see page 2. *Notes: Susan wears a women's medium; women's sizes run small; Elsie wears a xxxl.*

Order Now for \$75

We pre-sold this jersey until March 18 so we could get as many orders as possible before our 2009 TDN. We doubled the initial order so you can still order a jersey. However, there are now limited sizes and quantities. If we don't have your size in stock, we'll let you know so you can either change your order or get your money back. If you are curious about what we have available, contact Susan (info below on form).

We'll give you the jersey when you check in the morning of Wednesday, June 17. If are not doing the tour this year, we'll mail you the jersey.

TDN Jersey Sizing Info

Club Cut

The club cut is a classic cycling jersey that fits the majority of riders—even the racers who are not as slim as they might think.

Women's Cut

The women's cut is a classic hourglass shape cut, not super snug, with no elastic in the waistband.
